

**Dear Friends & Taekwondo Enthusiasts,**

Seasons Greetings from JSTARC

At the outset, we would like to thank you for all the support that you have been giving JSTARC & its ventures till date.

We write with pleasure to inform you that JSTARC is planning to conduct '**KUKKIWON CERTIFIED BLACK BELT EXAMS - Open Invitation for all Taekwondo practitioners across India**' at *Institute of Korean Martial Arts, 419, 6th Main, 6th Cross, M.S.Ramaiah Nagar, Bangalore - 54*. As you are aware, JSTARC strives to provide comprehensive & unique programs related to Taekwondo for the benefit of its practitioners. Towards this, JSTARC plans to give Taekwondo aspirants an opportunity to get their Black Belt Dan's certified by Kukkiwon. The exam would be conducted as per the regulations & standards of Kukkiwon.

Further, with the objective of providing a complete package to participants, we also plan to conduct training & interactive sessions, which would provide all the participants with an opportunity to learn more about the sport, both in terms of physical training and in terms of its culture.

JSTARC aims to make the event a complete Taekwondo experience where the students can appear for Dan exams as well have a training quotient into the event. We plan to have lectures, demo sessions, seminar for coaches, etc. to get something more out of entire event. After all, Taekwondo is a sport that has developed itself beyond the realms of a simple Martial Art. JSTARC invites you all to this exam where students will go home with more than a certificate.

We look forward to your patronage and participation to make this event a grand success. We will keep posting updates on the sessions. Similarly, we will send you the venue, enrollment form, schedule of the exams & sessions, the rules and regulations etc. in a few days time. Also, please refer to the Annexure enclosed for details about the event.

We hope you all will enthusiastically respond to our endeavor and make the event memorable with your presence.

Best Regards,

Navin Dave
